

Health Education Library

Injury Prevention + Wellness

EMPOWER YOUR WORKFORCE. ANYTIME. ANYWHERE.

The Health Education Library Subscription delivers expert-designed health, safety, and wellness resources designed for industries of all sizes. From small businesses to large enterprises, the platform gives your teams the information and support they need to stay aware, stay engaged, and avoid preventable risks.

BUILT FOR REAL-WORLD CONVENIENCE

The solution is app-based and built for convenience, putting critical health and safety information at your fingertips. Your company gets easy access to the health and safety information they need when they need it.

WHY CHOOSE WORKCARE'S HEALTH EDUCATION LIBRARY?

Comprehensive Content: Access posters, flyers, videos, and guides on topics like ergonomics, musculoskeletal disorder prevention, wellness, and first aid.

Flexible Tiers: Choose from five subscription levels—Basic, MSD & Safety Pro, Wellness & First Aid Pro, Premium, and Enterprise—starting at just \$1,500/year.

Expert Support: Enterprise plans include two hours of consultation with a Subject Matter Expert.

Easy Access: Resources are available through our secure Wellness Hub, optimized for quick downloads and mobile-friendly viewing.

BENEFITS FOR YOUR ORGANIZATION

- Reduce workplace injuries and support stronger safety outcomes.
- Improve compliance with consistent, accurate health and safety education.
- Boost productivity by helping employees stay healthy and engaged.
- Save time with ready-to-use content that fits into existing workflows.
- Scale your program as your workforce grows or your safety needs evolve.
